VIKTORAS DAUKŠAS 先生 | 立陶宛 | 立陶宛惡假資訊分析中心 debunk.org 主任

Mr. Viktoras Daukšas currently serves as the Head of debunk.eu, Debunk EU is a Lithuania-based disinformation analysis center and independent think tank that received initial support from Google's Digital News Innovation Fund. With more than 13 years of experience in IT innovation and project management, Daukšas oversees Debunk EU's use of AI and volunteers, or what the think tank calls "elves," to seek out and combat misinformation in Eastern Europe, particularly Russia, and educational media literacy campaigns. The think tank's disinformation analysis covers topics from hybrid warfare and migration to the Covid-19 pandemic, which Daukšas claims was a turning point for his team's work.

JULIAN JAURSCH 博士 | 德國 | 非營利智庫 Stiftung Neue Verantwortung 「強化數位公共空間」專案主任

Dr. Julian Jaurisch is project director in the field of "Strengthening the Digital Public Sphere." His work focuses on questions around tackling disinformation and regulating tech platforms. He analyzes approaches to platform regulation in the German, European and transatlantic context and develops policy recommendations that can be used by political and civil society decision-makers. Prior to this, Julian had already worked on topics of digitization, digital politics and data protection. Most recently, he coordinated a dialogue with multiple federal ministries, companies and civil society organizations to establish new educational offers on various digital topics. He had previously led a know-your-rights campaign at a Berlin-based NGO that dealt with EU data protection rights, which not only explained these rights to citizens but also enabled and encouraged them to use their rights. During his tenure at a political consultancy, he supported companies and associations with developing and executing their political communications and lobbying strategies.
