

經驗分享： 就讀歐洲研究所的選擇與收穫

歐研所二年級研究生 蔡瑜萱 撰寫

很高興認識各位！

我是歐研所二年級學生 蔡瑜萱 Mia，畢業於文藻西文系，目前正積極投入論文撰寫，目標在兩年內取得碩士學位、準時畢業；同時，我亦在校內擔任教學及研究助理，持續豐富我的實業履歷。

其實我一開始打算大學畢業就出社會……

大學畢業前的生涯目標為考取移民特考三等西語組、成為移民官，但考慮到工作之餘準備特考成效不佳，又不願成為全職考生、依賴父母，才決定繼續進修，挑戰特考及碩士學位同時並進（且具備碩士學位可報考二等考試，薪水是三等的兩倍喲）。

為什麼要留在文藻，成為歐研所的研究生？

不知道各位學弟妹是否考慮過畢業後的出路，甚至試想過自己能在職場上擔任什麼樣的職位？作為歐語科系的畢業生，即便我們攻讀的語言並不普及且不容易被取代，但大學課程畢竟較著重在培養該語言的聽說讀寫能力，故無論選擇商業、觀光或其他模組課程，在專業知識背景上，我們遠遠不及相關科系的畢業生；再加上缺乏對歐洲政治、經濟、文化等認知，光憑藉自己所學的語言，有辦法在未來就職的企業成為稱職的國際窗口嗎？為使自己更具競爭力，留在文藻、繼續攻讀歐研所，對於知識上、求職上皆相當有幫助！

- **補足語言以外的專業知識**：透過學習歐洲各方面的發展局勢，未來得以更佳掌握自己在職場上負責的區域市場。
- **發揮語言專長、開拓視野**：以我個人的研究為例，為了不浪費大學四年習得的西語能力，在論文寫作上選擇與西班牙有關的題目，能夠廣泛蒐集中文、英文、甚至西文文獻，在複習語言的同時，豐富且專業化我的研究內容。
- **善用文藻的學習資源**：進入歐研所，除了一般課程以外，有許多參訪國內外辦事處的機會；也能夠透過參與學術研討會及論壇，大幅吸收新知、與其他學者交流；最重要的是，歐研所對於本校學生提供獎學金，只要達到規定之成績要求，就有機會免費就讀歐研所喲！

如果閱讀完以上分享，想要更進一步了解所上資訊，可以到歐研所辦公室詢問！

誠摯歡迎各位加入文藻歐研所 ☺

EXPERIENCE SHARING: STUDY IN GIES

Written by Mia, postgraduate student of GIES

NICE TO MEET YOU ALL!

I'm Mia, a postgraduate student of GIES, graduated from the Spanish Department. I am currently involved in thesis writing, aiming to obtain the master's degree within two years; at the same time, I also serve as both teaching and research assistant, continuing to enrich my working resume.

IN FACT, STUDY FOR A MASTER'S DEGREE WAS NOT IN MY PLAN.....

My ideal career was to pass the examination of the National Immigration Agency (NIA) and to become an immigration officer after graduating from university. However, considering the poor results of preparing for the examination after work and unwilling to be a full-time examinee, I decided to continue studying on master's degrees and to prepare the NIA exam at the same time.

Why stay in Wenzao and become a postgraduate student of GIES?

I'm not sure if you have ever considered your future, and thought about what kind of positions you can hold in the workplace. As a graduate of any department of European languages, even if our major is not popular and makes us difficult to be replaced by others, the courses of university are after all limited to cultivating the ability of listening, speaking, reading and writing in that language; so no matter if you choose business, tourism or other modules, in terms of these professional knowledges, we are far behind the graduates of relevant departments. Coupled with the lack of knowledge of European politics, economy, culture, etc., only relying on the language we have learned, do you think that we have the competent which future job needs? In order to make yourself more competitive, studying at the GIES is very helpful in terms of enriching yourself and reaching your ideal career!

- **Supplement professional knowledge other than languages:** Studying the developments in various aspects of Europe, you will be able to better master the international market that you are responsible for in the future workplace.
- **Give full play to language expertise and broaden your horizons:** Choosing the thesis topic related to your major language, and collecting literature from different countries, you can enrich and professionalize your research content, also review the language you've learned.
- **Make good use of the learning resources of Wenzao:** In addition to general courses, you have many opportunities to visit national and international offices when you study in GIES; you can also participate in academic seminars and forums to greatly absorb new knowledge and exchange ideas with other scholars; the most important thing is that GIES provides scholarships for students graduated from Wenzao, so that studying at GIES for free is possible!

If you want to know more after reading the above information, don't be shy to visit the office of GIES!

Sincerely welcome you all to join us ☺
